PRESIDENT: Senator Schmit, we're still under our call of the house. Stand by just a minute.

CLERK: 17 ayes, 24 nays, 7 not voting.

PRESIDENT: Motion is lost. Next mo--next motion is shall the call be raised? All those in favor vote aye. All those opposed vote no. Motion is to raise the call of the house. Clerk will record.

CLERK: 38 ayes to raise the call.

PRESIDENT: Call is raised. We have 65 Fifth through Eighth Grade Students here and 8 adults from School District #10 at Columbus, Nebraska. Senator Nore, that's over in your particular district and Myron Synover and Mrs. Lana Walker it looks like, are their instructors. They're seated up here in the North Balcony. We're delighted, of course, to have you here today as, as visitors to the Nebraska Unicameral Legislature. Actually you just witnessed one of the real pieces of action in here when we go under a call of the house and we have a roll call vote. That's sometimes a very tension producing time. Alright, we also have some other motions on some bills on select file.

CLERK: Move to return LB 423 to select file for a specific amendment. Signed Senator Carpenter.

PRESIDENT: Okay, Senator Carpenter, we're ready for your motion on 423.

SENATOR CARPENTER: I move, Mr. Pre--carry that over till we meet again, can't we? I move we lay it over till we meet again.

PRESIDENT: I'm sorry now--423.

SENATOR CARPENTER: Next, when are we, are we supposed to come back Wednesday? According to what we've adopted-- Senator Proud, when we adjourn tomorrow, do we come back Wednesday? Have them adopted then.

PRESIDENT: We haven't adopted that plan, Senator Carpenter, I don't believe. I think we're waiting for an alternate plan from Senator Burbach and I don't think that's been disclosed to us here yet. Does that help you any?

SENATOR CARPENTER: Yeah. I move we lay it over until Wednesday.

PRESIDENT: Alright, Senator Burbach now is moving to lay over 423 and it's on final E&R for Engrossing here until Wednesday of next week. Are there any objections to laying the bill over? Any objections? Hearing none, so ordered. It is laid over until Wednesday. Do we have other motions there on the desk regarding bills on E&R for select file. Okay, let's go with it.
